To Whom It May Concern:

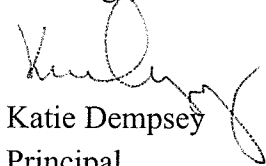

I am writing this letter of recommendation on behalf of Ms. Nuria Olmos Rodriguez. She has been a kindergarten teacher in our school for three years. I can say, without a doubt, that Nuria is one of the most talented teachers I have had the opportunity to work with in my 12 years in education. In fact, we are so sad to lose her, but understand her desire to go back home to Spain. Any school would be blessed to have Nuria and I give her my full and complete recommendation.

Nuria receives the highest marks on her Danielson evaluations. She has been teaching a full Spanish curriculum as a homeroom teacher for us, as we are a bilingual school (Spanish-English). Nuria has excellent classroom management, as well as instructional and engagement skills. The children love her and their classroom, as do the parents and other staff members. She has a way of making each child feel adored and special, while maintaining clear boundaries and helping children as young as 5 years old become independent thinkers and responsible for themselves. This is quite a gift.

In addition to teaching the basic subjects of phonics, math, religion, and the rest, she has also taken on additional duties in her workday. She teaches dance and drama after school. Whether she is teaching 5 or 6 year olds or our middle school drama students, she models an impeccable work ethic and helps each child achieve success in all endeavors, while allowing them the opportunity to gain strength and confidence in the process. She is truly an excellent teacher!

If you have any questions, please do not hesitate to contact me.

Blessings,
